

File Naming Convention for SAME IF 2018 – February Presentations

This document contains information pertaining to the use of the naming convention utilized to identify which pdf file represents to what presentation. For example, for pdf file named:

AGp1_Guadalupe_IntegratedProjectDelivery_P2

Is the presentation for:

Delivery Time of Day: Afternoon
Presentation Title: Integrated Project Delivery For Inland Port
Speaker: John Mears, P.E., Dallas County
Breakout Session
Room: Guadalupe
Time: 2:10 pm

The naming convention for the presentation files was utilized to have a more concise method of identifying each presentation. This method also addresses file name length which can be an issue if the number of characters is too long.
